

Iron Vitality Drink

Food supplement containing iron and vitamins C and B
For blood production, energy metabolism and the immune system

- Delicious and fruity flavour
- Alcohol-free
- Lactose-free
- Gluten-free
- Vegan

Iron is an essential trace element required for many functions within the body. Amongst other things, iron contributes towards

- The formation of red blood cells and haemoglobin
- A normal metabolic energy rate
- The normal function of the immune system
- The reduction of tiredness and fatigue

It should always be ensured that a person has a sufficient supply of iron, in particular children and adolescents in periods of growth, women during menstruation, pregnancy and lactation and people with one-sided eating habits or vegetarians. Herbafit Iron Vitality Drink is delicious and fruity in flavour, and is alcohol, lactose and gluten-free as well as being completely vegetarian/vegan. With its optimum iron-II-gluconate content, supplemented with vitamin C which promotes iron absorption, and important B vitamins, Herbafit Iron Vitality Drink is ideal for daily consumption.

Ingredients: Juice concentrate made from Chokeberry, Strawberry, Blackcurrants, Blackberries and Elderberries; Water, Agave Nectar, Iron-(II)-Gluconate (0.065 % iron), Vitamin C, Potassium Sorbate (preservative), Vitamin-B6-Hydrochloride, Vitamin B2, Vitamin-B1-Mononitrate, Vitamin B12.
